Talking & Thinking Floorbooks®

Join Briony Brooks in this Floorbooks professional learning to understand how to make the most out of the Floorbook approach in your documentation and planning cycle.

- Learn how to use big books to consult children in the planning process.
- Gain ideas on how to encourage sharing of knowledge and communication techniques.
- Use strategies that support adults to listen to children's ideas.
- Identify action points to increase the participation of children in planning.

Introduce a range of consultation techniques which promote the use of children's ideas in developing a planning framework linked to the curriculum.
